Adesso no, non voglio piÃ difendermi
SupererÃ dentro di me gli ostacoli
I miei momenti piÃ difficili
Per te

There is no reason, there is no right
It's crystal clear
I hear your voice
And all the darkness disappears
Everytime I look into your eyes
You make me love you
Questo inverno finirÃ
And I do truly love you
Fuori e dentro me
How you make me love you
Con le sue diffcoltÃ
And I do truly love you

I belong to you, you belong to me
Forever

Want you
Baby I want you
And I thought that you should know
That I believe
And you're the wind that's underneath my wings
I belong to you, you belong to me

Ho camminato su pensieri ripidi
You're my fantasy
Per solitudini e deserti aridi
You're my gentle breeze
Al ritmo della tua passione ora io vivrÃ
And I'll never let you go
L'amore attraverserÃ
You're the piece that makes me whole
Le onde dei suoi attimi
I can feel you in my soul
Profondi come oceani

VincerÃ² per te le paure che io sento
Quanto bruciano dentro le parole che non ho piÃ¹
detto, sai...

Oh..
Want you
Baby I want you
And I thought that you should know
That I believe

Lampi nel silenzio siamo noi yeah
I belong to you, you belong to me

You're the wind that's underneath my wings
I belong to you, you belong to me
Yeah hey yeah he

Adesso io ti sento
I will belong forever to you
