Yeah, tell me what have you done to me, oh
How come your eyes feel like your hands on me?

(Am I under some magic spell?)
Oh, did you put a hex on my body?
(I'm aroused though, boy, can't you tell?)
I can't explain it or fight it and boy 'cause I like it

I can feel you from my head to my feet
You're all over me
I can feel you, when you're not next to me
Taking over me

I can feel you when I kiss you, baby
Touch you, baby, love you, baby
(I can feel you, baby)
Kiss you, baby
Touch you, baby, love you, baby, oh

You're in control, I'm a slave
To your will, baby
Baby, you gotta hold on me
Yes, your name gives me chills

(Am I under some magic spell?)
Did you put a hex on my body?
(I'm aroused though, boy, can't you tell?)
Said, I can't explain it or fight it, I like it

I can feel you from my head to my feet
You're all over me
I can feel you, when you're not next to me
Taking over me

I can feel you when I kiss you, baby
Touch you, baby, love you, baby
I can feel you, baby
When I kiss you, baby
Touch you, baby, love you, baby

(Feels like you're inside)
Pushing my buttons

Making me do what you want me to do
(Baby, you're not by side)
Baby, I can still feel you, oh whoa, oh

(I can feel you)
From my head to my feet
You're all over me, yeah
(I can feel you)
When you're not next to me
Taking over me

I can feel you when I kiss you, baby
Touch you, baby, love you, baby, oh
(I can feel you, baby)
When I kiss you, baby
Touch you, baby, love you, baby, oh
