Who are they anyway
With their sticks and stones?
Don't they know that we know?
There's a chill within their bones

They blame and they name
Make us feel so cold inside
But they cannot take us there
'Cause we will fight

I think the world's gone crazy
I think the world's gone crazy
I think the world's gone crazy
I think the world's gone crazy

Who wants a love without anger and rage?
I do
Who wants a world where a kid can be safe?
I do

Who wants to pray for the end of the pain?
For the calm at the end of the day
Where there's not always more of the same
I do

Wanna breathe, wanna move
And not ever feel afraid
Wanna live in a place
Where the truth still finds a way

To rise and advise
And when everything is lies you break
'Cause there's nowhere
You can run and still feel safe

I think the world's gone crazy
I think the world's gone crazy
I think the world's gone crazy
I think the world's gone crazy

Who wants a love without anger and rage?
I do

Who wants a world where a kid can be safe?
I do

Who wants to pray for the end of the pain?
For the calm at the end of the day
Where there's not always more of the same
I do

I won't be a part
Of something so obscene
I think I'm falling
But I won't be falling

Who wants a love without anger and rage?
I do
Who wants a world where a kid can be safe?
I do

Who wants to pray for the end of the pain?
For the calm at the end of the day
Where there's not always more of the same
I do
