There's a boy that I'm into, he's so fly, so cute  
I dreamed of, him every night, he had me, on cloud  
nine  
Thought I could trust him, why? He said to me when I  
needed him  
He was there for me, then I found out he did the same  
For every girl, with a pretty face

I just wanted to believe that he was so innocent, so  
sweet  
He did everything for me, yeah  
People told me all along, he was wrong  
But I was so naïve, don't let him do to you what he did  
to me

Thought I told you that  
He would break your heart  
He was no good for you, from the start  
Thought I told you that  
He had another girl  
You're not the only woman in his world

Thought I told you that  
He would make you cry  
I don't see how you believe his lie  
Thought I told you that  
I hate to say that I told you so  
Take it from me, you better leave him alone

He played me the whole time, that's why I'm warning  
you  
I'm not the jealous type 'cause I've already been there  
done that  
And nothing that he says will make me want him back  
It does matter what he sends me a dozen flowers  
Or a diamond that's bling bling it's all good but I'm not  
The one to be staying home while he's having fun

I just wanted to believe that he was so innocent, so  
sweet  
He did everything for me, yeah  
People told me all along, he was wrong

But I was so naïve don't let him do to you what he did  
to me

Thought I told you that  
He would break your heart

He was no good for you, from the start  
Thought I told you that  
He had another girl  
You're not the only woman in his world

Thought I told you that  
He would make you cry  
I don't see how you believe his lie  
Thought I told you that  
I hate to say that I told you so  
Take it from me, you better leave him alone

Girlfriend, I'm just trying to make you see  
That it's not about you, it's not about me  
You can't let him get the best of you this way  
You gotta love yourself and just walk away, yeah  
I told you that

I know you told me that he was not the one  
I know you told me that he's God

Thought I told you that  
He would break your heart  
He was no good for you, from the start  
Thought I told you that  
He had another girl  
You're not the only woman in his world

Thought I told you that  
He would make you cry  
I don't see how you believe his lie  
Thought I told you that  
I hate to say that I told you so  
Take it from me, you better leave him alone

Thought I told you that  
He would break your heart  
He was no good for you, from the start  
Thought I told you that  
He had another girl  
You're not the only woman in his world

Thought I told you that  
He would make you cry  
I don't see how you believe his lie

Thought I told you that  
I hate to say that I told you so  
Take it from me, you better leave him alone  
Thought I told you that
