Let yourself fall free

If I was your boyfriend
Would you let me get inside?
Free yourself to my command
Just release the other hand
If I was your boyfriend
Could you enjoy the world

Come to the other side of love
Where surrender is enough
Let yourself pretend with me
Let yourself fall free
If you will see through my eyes
Then we found another side

It's alright.

If I was your boyfriend
Would you let me lead the dance?
Forget all you thought you knew
Loose yourself in a moment too
If I was your boyfriend
Could you be loved by you

Come to the other side of love
Where surrender is enough
Let yourself pretend with me
Let yourself fall free
If you could see through my eyes
Then we found another side

It's alright

If I was your boyfriend
If I was your boyfriend
Let yourself pretend with me
Let yourself fall free

Come to the other side of love
Where surrender is enough
Let yourself pretend with me

Let yourself fall free
If you can see through my eyes
Then we found another side

Baby, it's alright

Let yourself fall free
