I wish that there could be more days in summer
I wish that autumn wouldn't come so soon
'Cause when the sun goes away
I'm left in the shade

Oh, I wish that you could warm me in the winter
They say that springtime is so beautiful
But I see nothing but rain
And short windy days

And I only feel safe
When your arms are wrapped around me

So forget the clouds
I don't feel the rain
Even though the seasons may change
Yeah
I see the sun, it's in your eyes and I just know
(I see the sun when I hear your name)
(You give me a reason), a reason to start again

Yeah hey yeah

I wish that there could be more days in summer
I wish that autumn wouldn't come so soon
'Cause when the sun goes away
I'm left in the shade
Oh, I'd love to see the leaves fall in september
And the snow drops in december just the same
But it leaves me in a daze
Can't wait to see your face, oh

Yeah
And I only feel safe
When you're arms are wrapped around me

(So forget the clouds)
Forget the clouds
(I don't feel the rain)
Feel the rain
Even though the seasons may change
Yeah hey yeah

(I see the sun when I hear your name)
I see the sun, it's in your eyes and I just know
(You give me a reason), a reason to start again

I only feel safe
When I'm in your arms
It's another day that we can't escape
It won't be too long 'til love finds it's way
To start again

(So forget the clouds)
Yeah yeah
(I don't feel the rain)
Yeah yeah
(Even though the four seasons may change)
Oh yeah
(I see the sun when I hear your name)
I see the sun, it's in your eyes and I just know
(You give me a reason), a reason to start again

Oh yeah, yeah yeah
I said I love you, I love you, I love you
Oh yes I do
I truly love you
Hey yeah hey yeah hey yeah
Oh oh oh
Oh yeah hey yeah
Oh oh oh oh
I said now take me to the end for me
Yeah hey yeah yeah
