\*\*\*\*\*Late Last Night\*\*\*\*\*

Saw you in the restaurant  
Late last night  
You were looking in her eyes  
Holding her hand tight  
Said that you were working late  
Well I guess that's true  
You were working on somebody new  
Ah

So you were in a restaurant with someone else  
Why you were busy fooling me  
Well I guess I fooled myself  
But I won't be the fool again  
And I tell you now  
I won't stay around  
While you play around  
So

\*\*\*\*\*CHORUS\*\*\*\*\*

So baby pack your lies and walk right out this door  
No no  
I don't want your tight excuses anymore  
No no  
I don't wanna hear the same old lies (by the same old  
price)  
Cause I'm through...wasting my time on loving you

Did you give your to her late last night  
Did you say those things you said  
When we turned out the light  
When she went to touch your hand  
Did you hide the ring? Haha  
Did you forget to tell her about me?  
Yes you did

I saw you in the restaurant  
And get in her car  
I don't know where you went  
But this time you went to far  
Stumbling in the door at four in the morning

Just won't do  
I won't stay around no  
While you play around with my heart

\*\*\*\*\*CHORUS\*\*\*\*\*

So baby pack your lies and walk right out this door  
Oh No no no no  
I don't want your tight excuses anymore  
No no  
I don't wanna hear the same old lies (by the same old price)  
(Cause I'm through) I'm so through baby, wasting my time on loving you

Didn't I give you the best of my love? (of my love)  
Worse or in bad  
Didn't I care enough (I care enough oh)  
How could you go and just hurt me that way (hurt me that way)  
Well I'm not gonna take it no more  
Nononono

\*\*\*\*\*CHORUS\*\*\*\*\*

(So baby pack your lies and walk right out this door)  
No walk right out the door baby (oh no)  
I don't want your tight excuses anymore  
Nono (nono)  
I don't wanna hear the same old lies again (by the same old price)  
(Cause I'm through)  
I'm so through baby ãÄŽã,ã wasting my time - I'm wasting my time  
(wasting my time on loving you)

(So baby pack your lies and walk right out this door)  
I don't wanna waste it baby (oh no)  
(I don't want your tight excuses anymore)  
I don't want your tight excuses  
I don't wanna hear the same old lies again (by the same old price)  
(Cause I'm through)  
I'm so through baby ãÄŽã,ã wasting my time - I'm wasting my time  
(Wasting my time on loving you)
