All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I don't feel safe
Ohhh

Left broken empty in despair
Wanna breath can't find air
Thought you were sent from up above
But you and me never had love
So much more I have to say
Help me find a way

And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

I tell ya
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray

Why do you play me like a game?
Always someone else to blame
Careless, helpless little man
Someday you might understand

There's not much more to say
But I hope you find a way

Still I wonder if you know
How it really feels
To be left outside alone
When it's cold out here

Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

I tell ya
All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray

Ohhh. Pray
Ohh Heavenly father
Save me Ohhhh
Whoaoooooaaaaoooo

And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

All my life I've been waiting
For you to bring a fairytale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to pray
