All my life I've tried to find  
A love to give me piece of mind  
And I, I looked into your eyes

Captivated by your wicked smile  
I was mesmerized there  
For a while or two  
But what's a girl gonna do?

Oh, I lay in my bed  
With your stupid face in my head  
Just another piece in my life  
Now I'm a sexy single  
(Sexy single, that's okay)

I'm living on my own  
And I'm feeling the way I do  
Like a sexy single  
(Sexy single)

Birds of a feather  
We flock together like leaves on a tree  
We were meant to be in love  
I guess it was just a dream

Oh, I lay in my bed  
With your stupid face in my head  
Just another piece in my life  
Sexy single  
(Sexy single, that's okay)

I'm living on my own in my special way  
Yeah, like a sexy single, oh, come on now  
(Sexy single)  
Sexy single, sexy single, oh yeah  
(Sexy single, sexy single, sexy single)

Ooh, sexy single, oh  
Oh yeah, oh yeah, oh yeah  
I said I'm livin' on my own  
And I'm feeling the way I do  
(Sexy single)

When I'm not with you  
(Sexy single)

I said I'm sexy single, that's okay  
I'm living on my own  
And I'm feeling the way I do  
I said when I'm not with you  
(Sexy single)  
(Sexy single)

I said I'm sexy single, that's okay  
(Sexy single)  
I'm living on my own in my special way  
Yeah, yeah, yeah

I said sexy single, sexy single  
(Sexy single)  
You sexy single, you sexy  
(Sexy single)

(Sexy single)  
Come on, uh! Yeah  
(Sexy single)  
Said what? Ooh you're sexy single  
(Sexy single)
