He was a fast machine
He kept her motor clean
He was the best damn man that I ever seen

He had sightless eyes
Telling me no lies
Knockin' me out with those American thighs

Taking more than he share
Had me fighting for air
He told me to come
But I was already there

'Cause the walls were shakin'
The earth was quakin'
My mind was achin'
And we were makin' it and you...

Shook me all night long
Come on, girlfriend
Oh, yeah
Said you, shook me all night long
Ooh
Shook me

Working double time on the seduction line
He was one of a kind
He's just mine all mine

Wanted no applause
It's just another cause
He made a meal out of me
And came back for more

Tried to cool me down
To take another round
Now I'm back in the ring to take another swing

Now the walls were shakin'
The earth was quakin'
My mind was achin'

And we were makin' it and you...
Come on

Shook me all night long
Come on, girlfriend
Shook me
Oooh
Oh yeah
You shook me all night long
Everybody sing with me
Shook baby
You shook me all night long
Ooooh
Shook me, shook me, baby
You shook me all night long
Shook me
Ladies and gentlemen

Come on girlfriend
Give it to us

Come on
Whoo
I said you, shook me all night long
Oooooh oooh you
Shook me all night long
You, you, you ooh
Shook me all night long
You, you, yeah yeah yeah, you
Shook me all night long
Yeah yeah yeah yeah
You shook me
Oh, you shook me, shook me, shook me, shook me
All night...
Oooh yeah
Whoo!
