My Life is on the line, my life is on the line  
My Life is on the line, my life is on the line  
My Life is on the line, my life is on the line

A little late for all the things you didn't say  
I'm not sad for you  
But I'm sad for all the time I had to waste  
'Cause I learned the truth  
Your heart is in a place I no longer want to be  
I knew there'd come a day I'd set you free 'cause  
I'm sick and tired of always being sick and tired

Your love isn't fair  
You leave me in a world where you didn't listen  
And you didn't care  
So I'm floating, I'm floating on air (I am on air)

No morning goes such a sad song  
Of broken hearts  
My dreams of fairy tales and fantasies  
were torn apart ohhh  
I've lost my piece of mind somewhere along the way  
I knew there'd come a time you'd hear me say  
I'm sick and tired of always being sick and tired

Your love isn't fair  
You leave me in a world where you didn't listen  
And you didn't care  
So I'm floating, I'm floating on air

My Life is on the line, my life is on the line  
My Life is on the line, my life is on the line

My Life is on the line, my life...

Your love isn't fair  
You leave me in a world where you didn't listen  
And you didn't care  
So I'm floating, I'm floating on air

Your love isn't fair

You leave me in a world where you didn't listen  
And you didn't care  
So I'm floating, I'm floating on air
