There's a boy that I'm into

He's so fly, so cute

I dreamt of him every night

He had me, on cloud nine

Thought I could trust him, why?

He said to me when I needed him

He was there for me, then I found out

He did the same for every girl with a pretty face

I just wanted to believe that

He was so innocent, so sweet

He did everything for me

And people told me all along

He was wrong but I was so naive

Don't let him do to you what he did to me

Chorus:

Thought I told you that, he would break your heart

He was no good for you, from the start

Thought I told you that, he had another girl

You're not the only woman in his world

Thought I told you that, he would make you cry

I don't see how you believe his lie

Thought I told you that, I hate to say that I told you so  
Take it from me, you better leave him alone  
He played me the whole time  
That's why I'm warning you  
I'm not the jealous type  
Cause I've already been there, done that  
And nothing that he says  
Will make me want him back  
It does matter what he sends me  
A dozen flowers or a diamond that's bling bling  
It's all good but I'm not the one  
To be staying home while he's having fun  
I just wanted to believe that  
He was so innocent, so sweet  
He did everything for me  
And people told me all along  
He was wrong but I was so naive  
Don't let him do to you what he did to me  
Chorus  
Girlfriend, I'm just trying to make you see  
That it's not about you, it's not about me  
You can't let him get the best of you this way  
You gotta love yourself and just walk away  
Chorus
