Mmhh...

Twisted girl

Innocent cloud

Whohoo

You'd better slow down, mh

I said what comes around goes around

Everytime

And not sex in the city with your Jimmy Choos on, hu

Or the life of the party when you're in before dawn, ohh

Innocent cloud

Slow it down

Slow it down

Slow it down

Ready or not

Givin' all that you got

It's a twisted world we live in

I know what it's like

When you tangled in life

Untwist this world

You twisted girl, ah... huh

Oh you'd better be aware, hooho

And handle with care, uh

Don't feed the dragon

With your lies, ha

Don't be a bitch politician with your crispy cream smile,

ohh

Or a second hand diva living in denial ohh

Innocent cloud

Break it down

Break it down

Break it down

Ready or not

Givin' all that you got

It's a twisted world we live in

I know what it's like
When you tangled in life
Untwist this world
You twisted girl

In the land make believe
Look what you've become
Taste the simple pleasure
It's hittin' on your tongue

Sell your soul
Pay the price
Wipe the clouds from your eyes
Forever

Ohh you're a twisted girl

I know what it's like
When you tangled in life
Ohhh
Twisted world
You twisted girl, yeah

Ready or not
Givin' all that you got
It's a twisted world
I know what it's like
When you tangled in life
Untwist this girl
You twisted girl
Ha, you're twisted girl

I said innocent cloud
You're a twisted girl
