You Shook Me All Night Long

By: Anastacia and Celine Dion

Celine:

He was a fast machine

He kept his motor clean

He was the best kinda man i had ever seen

He had those signless eyes

Tellin' me no lies

An knockin' me out with those american thighs

Anastacia:

Takin' more then he should

He had me fightin' for air

He told me to come but I was already there

'Cause the walls were shakin'

The earth was quakin'

My mind was achin'

And we were naked and you...

Anastacia and Celine:

Shook me all night long

Said you...

Shook me all night long

Anastacia:

Workin' doubletime on the seduction line

He was one of a kind

He's just a mine all mine

Wanted no applause

Just another course

He made a meal outta me and came back for more

Celine:

Had to cool me down to take another round

Now I'm back in the ring to take another swing

Now the walls were shakin'

The earth was quakin'

My mind was achin'

And we were naked and you..

Anastacia and Celine:

Shook me all night long

Ahh you...

Shook me all night long

You... shook me all night long

You... shook me all night long

I said you... shook me all night long

Oh Yea you!... shook me all night long

You you you... shook me all night long

You shook me baby...shook me all night long

Yea yea yea yea...

You shook me, you shook me, you shook me, you

shook me, you shook me

ALL NIGHT LONG YEA!!
