She sits in her corner singing herself to sleep
Wrapped in all of the promises that no one seems to
keep
She no longer cries to herself no tears left to wash
away
Just diaries of empty pages feelings gone astray
But she will sing

Till everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns, till everything
burns

Walking through life unnoticed
Knowing that no one cares
Too consumed in their masquerade
No one sees her there and still she sings

Till everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns, till everything
burns

Everything burns, everything burns, everything burns
Watching it all fade away
Everything burns, everyone screams, everyone
screams
Watching it all fade away

Till everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns till everything
burns

Everything burns
Watching it all fade away
Everything burns
Watching it all fade away
