In the dark of the night I was tossing and turning,
And the nightmare I had was as bad as can be.
It scared me out of my wits!
A corpse falling to bits!
Then I opened my eyes and the nightmare was me!

I was once the most mystical man in all Russia (ooh ahh
ooh)
When the royals betrayed me they made a mistake
(ooh ahh ooh)
My curse made each of them pay
But one little girl got away,
Little anya beware Rasputin's awake!

In the dark of the night evil will find her
In the dark of the night just before dawn
Revenge will be sweet,
When the curse is complete,
In the dark of the night, she'll be gone!

I can feel that my powers are slowly returning
Tie my sash and a dash of cologne for that smell!
As the pieces fall into place,
I'll see her crawl into place,
Dasvidanja anya your grace, farewell!

In the dark of the night,
terror will strike her (terror's the least I can do)
In the dark of the night, evil will brew
Soon she will feel,
That her nightmares are real
In the dark of the night, she'll be through

In the dark of the night evil will find her (find her)
In the dark of the night, terror comes true (doom her)
My dear, heres a sign,
Its the end of the line,

In the dark of the night (2x)

Come, my minions

Rise for your master,
Let your evil shine
Find her now, yes, fly ever faster
In the dark of the night (3x)
she'll be mine!
