My way, this is my way, take your breast away,
Oh, my hollow way, muddy way
My way, this is my way, take my breath away,
You brace up my way, a girlstrap by the way

No matter what's in your hell, no matter what's in your well,
I'm sucking my way
I'm just a weed, I confess my way as a bloody way,
I know you're crouching
No matter what's in your hell, no matter what's in your well,
I'm freaking my way
Perforating shame I want to share
No matter what's in your hell, my crippled way under your sun

My way, wane of your way, it's my winning day
Headlong in your way, you flutter about my way
My way, this is my way, take your brow away, my hollow way, muddy way

No matter what's in your hell, no matter what's in your well
I'm sucking my way,
I know you're crouching, by the way,
Take my breast away, away, away, away
No matter what's in your hell, no matter what's in your well
Girlstrap in my way, bounds of my way
Oh take my breath away, away, away, away...

Jump, jump, jump, jump, jump, jump, in my bed
Jump, jump, jump, jump, jump, get out of my head
Jump, jump, jump, jump, jump, in my jungle's bed
Jump, jump, jump, jump, jump, in...
My allow way, wane of my way, my muddy way
A lot of scales capture my way, underground waves oppress my way

No matter what's in your hell, no matter what's in your well

I'm sucking my way,
I know you're crouching, by the way,
Take my breast away, away, away, away
No matter what's in your hell, no matter what's in your
well
Girlstrap in my way, bounds of my way
Oh take my breath away, away, away, away...
