I'm still looking for the quiet life;
In those shadows it's trouble I find.
I've been waiting for all my life,
For a drug called peace of mind.

And all I feel,
It's never gonna find me,
Or catch me falling.
And I feel -- I feel,
It'll never find me here.
I've gotta keep moving on,
Waiting for the moment,
'Cause I feel like it's never gonna find me.
(Never gonna find me here)

Poor, poor life this,
If full of care,
We have no time to stand and stare,

And all I feel,
It's never gonna find me,
Or catch me falling.
And I feel -- I feel,
It'll never find me here.
I've gotta keep moving on,
Waiting for the moment,
'Cause I feel like it's never gonna find me.
(Never gonna find me here)

And all I feel,
It's never gonna find me,
Or catch me falling.
And I feel -- I feel,
It'll never find me here.
I've gotta keep moving on,
Waiting for the moment,
'Cause I feel like it's never gonna find me.
(Never gonna find me here)
