I don't wanna find someone I can live with  
I just want to find someone that I can't live without  
I'm not looking for another saviour  
I'm just searching for a little lamb that I can hold  
To keep so safe and warm

This is a hymn  
A hymn for her  
To the one that I'll adore  
So sing your hymn  
Your hymn for her  
Is this too much to ask?

I can't wait, for those sleepless nights  
Where only the bottle seems to calm the little beast  
Daydream now of your dear embrace  
Where we lie, lie in the still of morning face to face  
Dreaming face to face

This is a hymn  
(This is your hymn)  
A hymn for her  
(A hymn for her)  
To the one that I'll adore  
(To the one that I'll adore)  
So sing your hymn  
(Sing your hymn)  
A hymn for her  
(A hymn for her)  
Is this too much to ask?

(Sing your hymn)  
A hymn for her  
(A hymn for her)  
To the one that I'll adore  
(To the one that I'll adore)  
So sing your hymn  
(So sing your hymn)  
A hymn for her  
(A hymn for her)

(Tonight)

(Ohhh, ohh, ohh, ohh)
