Nocturnal Hour has come and Moon has risen  
Entering desecrated Ground to practice a Ceremony  
Sacrifice  
Ritual  
Black Blood  
Unholy  
Blasphemy  
Sign of Goat  
Ancient Gods  
Now arise !  
To evoke Gods of Beyond  
Building a Circle Formation  
Unholy Sign in Centre  
As the Dagger of Blasphemy  
Gets the Blood floated out of the  
Sacrificed Sheep  
Ecstasy has been reached  
The smell of strange drugs  
And Arabian Prayers, now create your own Belial  
To rise yourself godlike  
By calling the Gates !  
Utux xul ia ardata ! Kutulu ia atalakla !  
Azagthoth ia kalla ! Ia anu ! Ia Enlil !  
Ia Nugi ! Sabaoth !
