I don't know what...  
What is that lies behind  
The action of a man  
Who wants you to kneel down  
I'm trying to find  
An explanation why  
But what comes to my mind  
Is that power makes men blind

...Blind!!!!

Seeds of hate  
Wherever multiply  
It's easy to astray  
To abandon the right path  
Chaos in life  
And Evil roots its lies  
No time to hide inside  
The demon feeds with crimes

Predominance, no hope no chance  
The feeble lies, the strong survives  
Predominance, no hope no chance  
The key is one: intolerance!!!  
Intolerance!!!

Life's cycle closed  
A brutal force has opposed  
No other way to live  
Than bow onto your knees  
Indulgence  
A term without a sense  
Before and after Christ  
The only law is to fight

Predominance, no hope no chance  
The feeble lies, the strong survives  
Predominance, no hope no chance  
The key is one: intolerance!!!  
Intolerance!!!

[Solo: ALE]

No hope no chance  
But just intolerance  
No future for a dream  
A loss of time indeed  
The feeble lies  
Only the strong survives  
Will we ever see the end?  
Will we ever call brother to every man?

Predominance, no hope no chance  
The feeble lies, the strong survives  
Predominance, no hope no chance  
The key is one: intolerance!!!  
Intolerance!!!
