Long day, warm breeze
In my lounge room
Waiting, watching the clouds move
Hoping for the next season
Wondering if i'm asleep yet
asleep yet,

No more
That's all I ever do
No more

No more
That's all I ever do
No more

Holding myself above it
Wondering if I'm asleep yet
asleep yet,

No more
That's all I ever do
No more

No more
That's all I ever do
No more

Long day, warm breeze
in my lounge room
Waiting, watching the clouds move,
the clouds move

No more
That's all I ever do
No more

No more
That's all I ever do
No more,

No more, no more

No more, no more
No more, no more
No more, no more, no more
