Oh oh, oh oh, oh oh
Oh Oh, Oh Ohhh

Gas to a flame, all you to blame,
you should of been more upfront,
tease me cause for you its a game, you should be
ashamed,
for the way that you did me,
you spark my interest, there where noone and nothing
left,
one minute we had love that was pure and strong,

then suddenly your gone, you still left me here hangin
on,
for so long, im still wonderin what i did wrong,
and how could you leave, how could you leave my
heart when you set it on fire,
and left it burnin burnin burnin burnin burnin burnin
with desire,

im hotter than galacie, i think that im meltin down,
i cant even look you in the eye, without startin to cry,
what am i suppose to do now Waaooohhh,
you took the simple flame and covered it with gasoline,
put a match up to my heart, and turn the fire on,

then suddenly your gone, you still left me here hangin
on,
for so long, im still wonderin what i did wrong,
and how could you leave, how could you leave my
heart when you set it on fire,
and left it burnin burnin burnin burnin burnin burnin
with desire,

take me down to the river side and put this fire out,
cause theres no place that i can turn to nowwww,

you loved me then suddenly your gone, you still left me
here hangin on ,
for so long, im still wonderin what i did wrong,
and how could you leave, how could you leave my
heart when you set it on fire,

and left it burnin burnin burnin burnin burnin
with desire,

now your gone, you still left me here hangin on,
for so long, im still wonderin what i did wrong,
and how could you leave, how could you leave my
heart when you set it on fire,
and left it burnin burnin burnin burnin burnin burnin
with desire,

Oh oh, oh oh, oh oh
Oh Oh, Oh Ohhh
Oh oh, oh oh, oh oh
Oh Oh, Oh Ohhh
