You're dangerous and i'm scared to death
But it feels so good
The moment I catch my breath
And I got a fear of flying
But here I am sitting so high an'
I'm ready to fall in love fall apart
And I wanna love you
You lift me up but i'm afraid to fall
You hold on
Cos girl when I touch you
I lose my mind and I forget it all
Cos what you are is

My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear
My pleasure

Yeah cos you hurt so good
See baby I wanna pinch myself
To see if it's a dream or is it hell or heaven
Oh and I am frightened by the way you stare
One look i'm under your spell
I'm a victim of your craft
I wanna love you
You lift me up but i'm afraid to fall
You hold on
Cos girl when I touch you
I lose my mind and I forget it all

Cos what you are is

My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure

My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear
My pleasure

Ohh and I am so dreadful of the day that I wake up
But I will sacrifice the people for the pleasure
And even if it cost me my life
I will die for a chance to combine

My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear and my pleasure
My fear
My pleasure

My fear and my pleasure

My fear and my pleasure
