I'm here, and I wanna tell you where I'm coming from
Cuz I'm thinking 'bout your body babe
Every single minute got me going crazy
So don't get fun and show me something
Needing nothing baby, so let's get it crackin' crackin'
cos
I need some action action
[2x]

(Break)

I'm here, and I wanna tell you where I'm coming from
Cuz I'm thinking 'bout your body babe
Every single minute got me going crazy
So don't get fun and show me something
Needing nothing baby, so let's get it crackin' crackin'
cos
I need some action action
[2x]

See girl, when your around me I can hardly speak
I'm shaking and trimplin and my knees get weak
And when you're here I never want to say goodbye to
you
And every single motion of your body turns me on
And every time I see your face I want to sing a song
And every piece of me is on you (every piece of me)
Tell me what I gotta do

I'm here, and I wanna tell you where I'm coming from
Cuz I'm thinking 'bout your body babe
Every single minute got me going crazy
So don't get fun and show me something
Needing nothing baby, so let's get it crackin' crackin'
cos
I need some action action
[2x]

Let me sing it again like ooo, it's like ooo yea
Oh uh ooh let me sing it again like ooo,
It's like ooo yea ooh uh ooh

I'm here, and I wanna tell you where I'm coming from
Cuz I'm thinking 'bout your body babe
Every single minute got me going crazy
So don't get fun and show me something
Needing nothing baby, so let's get it crackin' crackin'
cos
I need some action action
Oh ohh
