I'm coming back for you (oh)
I'm coming back for you (oh)
I'm coming back for you (oh, ohh)

People wanna talk, what they gonna talk, Ima hear
them talk
But I get used to
I leave behind, those bad times
But I wont forget, because I choose to
But looking through the eyes of this young money(?)
Maybe you would see what it feels like
But I'll be okay, at the end of the day, still got me,
myself and I
No, I won't put myself down anymore
I learned my lesson, I won't hurt anymore
I gotta pick up the pieces
And I need you to see this
I want you to believe I'll make it right
I wasn't perfect and this much I know
I made mistakes, now I pay as I go
But you are the reason, I'm gonna prove and
Make it up to you

I'm gonna return to you
Cause it's the only way to make it through this
And I'm gonna run, gonna run
I'm gonna fight, gonna fight
Whatever it takes, yeah
I'm going to make it
To return to you
Cause you're the only thing that matters
My happy ever after
Begins with us that's what I learned
So baby I'm ready to return

Yeah, you saw me crying, when I was dying
I was all alone, no one to turn to
I was on my knees asking god to help me please
Don't wanna do what he did to me
And looking through the eyes of this young money(?)
You see the pain I see
And I know I messed up

I'm trying to get back up
And this is what I gotta do

No, I won't put myself down anymore
I learned my lesson, I won't hurt anymore
I gotta pick up the pieces
And I need you to see this
I want you to believe I'll make it right
I wasn't perfect and this much I know
I made mistakes, now I pay as I go
But you are the reason, I'm gonna prove and
Make it up to you

I'm gonna return to you
Cause it's the only way to make it through this
And I'm gonna run, gonna run
I'm gonna fight, gonna fight
Whatever it takes yeah
I'm going to make it
To return to you
Cause you're the only thing that matters
My happy ever after
Begins with us that's what I learned
So baby I'm ready to return

You can hit me with your best shot
Give it, give it all you got
I need to feel it, yeah
To remind me it's wrong
To not carry on with this behaviour
And be gone, be gone
Move on, move on
And this is a chance to start a new

I'm gonna return to you
Cause it's the only way to make it through this
And I'm gonna run, gonna run
I'm gonna fight, gonna fight
Whatever it takes, yeah
I'm going to make it
To return to you
Cause you're the only thing that matters
My happy ever after
Begins with us that's what I learned
So baby I'm ready to return

I'm coming back to you
I'm coming back to you
I'm coming back to you, yeah
Cause baby I'm ready to return
I'm coming back to you

Said I'm coming back girl
Said I'm coming back girl, I'm coming back
Cause baby I'm ready to return
