so this is love, welcome the heart ache
its not enough your apologies from mistakes
so ive decided to swallow your lies
and your indiscretion will follow blind eyes ohh
so tell me that you love me, ill believe
and when you say its nothing then baby i can see
honey even though i know so much better ill write
all round my (?)

and this is the part that hurts me the most
thats breaking my heart
but thats the deal hear no evil see no evil
and its breaking my heart to be fooling myself
but thats the deal hear no evil see no evil

while your round the world and im in a bed
are you wispering sweet nothings into someone else's
head
are you staying (?) true when you say its only you in
your hotel room
and all the stories that i hear will fall on their fears
(ohh)
so tell me exactly what i wanna hear, yeaah
beacuse that is apparent that is the reason im still here
even though i know so much better ill write
all round my (?)

and this is the part that hurts me the most
thats breaking my heart
but thats the deal hear no evil see no evil
and its breaking my heart to be fooling myself
but thats the deal hear no evil see no evil

cuz ill choose your love over the truth
i will take pain and suffering over nothing from you
hey, so this is love
welcome to heartache yeah ohhh

and this is the part that hurts me the most
thats breaking my heart (breaking my heart)
but thats the deal hear no evil see no evil

and its breaking my heart to be fooling myself
but thats the deal hear no evil see no evil

ohh cuz i dont hear no evil see no evil
cuz i dont hear no evil see no evil
