

August "Stand By Guy"

Visit "[Stand By Guy](#)" on MotoLyrics.com

I don't understand why you put up with your man
He don't even treat you right like you know I can
Girl you be complaining saying he should be like me
But you still stay with him so he could never be

Girl it isn't fair that he gets to be with you
I'm the one whose there I'm right here to comfort you
And he don't even care you know that I'm the one for
you
So let your feeling show girl you should know

That I don' t wanna be your stand by guy anymore
Can you help me understand what are your waiting for?
I don't wanna be your stand by guy anymore
I want you to stand by me I wanna be your man
Woooahh I wanna be your man [i wanna be your man
x2]

He doesn't see how great you are
Then he's a fool if he don't see that your a star
He doesn't see the signs you always show to me
That's why I'm so confused why won't you be with me

Girl it isn't fair that he gets to be with you
I'm the one whose there I'm right here to comfort you
And he don't even care you know that I'm the one for
you
So let your feeling show girl you should know

That I don' t wanna be your stand by guy anymore
Can you help me understand what are your waiting for?
I don't wanna be your stand by guy anymore
I want you to stand by me I wanna be your man
Heeyy! I wanna be your man [i wanna be your man x2]

I'm the one whose there I wanna be your man
I'ma be the one you think you love whenever he does
you wrong
Every time he starts neglecting you I'ma be the one you
call
You already know its me you want tell me why you
trying to front

I don't wanna be your stand by you know

That I don' t wanna be your stand by guy anymore
Can you help me understand what are your waiting for?
I don't wanna be your stand by guy anymore
I want you to stand by me I wanna be your man
I wanna be your man [i wanna be your man x2]

Girl it isn't fair that he gets to be with you
I'm the one whose there I'm right here to comfort you
And he don't even care you know that I'm the one for
you
So let your feeling show girl you should know
