Sitting here, starring at the wall
The tvs on but I don't care at all
So hard to breath
It's like I'm filled with fear
Caught up in thoughts of where
to go from here

(Chorus)

So now I'm of to anywhere - anywhere
As long as it is far away from here
Theres nothing left here anyway - anyway
No one's to blame - No more keeping score
I'm at the door
It's over

I always thought that somehow we'd survive
But in the end, we both know this is right
Althought it hurts we're better off alone
Cause what's the use in trying to hold on

(Chorus)

So now I'm of to anywhere - anywhere
As long as it is far away from here

Theres nothing left here anyway - anyway
No one's to blame - No more keeping score
I'm at the door
It's over

One day at a time
I know It will get easier
I'm gather, we would smile
One day at a time

(Chorus)

So now I'm of to anywhere - anywhere
As long as it is far away from here
Theres nothing left here anyway - anyway
No one's to blame - No more keeping score
I'm at the door
It's over

(Chorus)

So now Iâ€™m of to anywhere - anywhere

As long as it is far away from here

Theres nothing left here anyway - anyway

No oneâ€™s to blame - No more keeping score

Iâ€™m at the door

Itâ€™s over
