Missing you crazy baby
I tried to tell my self that I prepare
Just so I'll be strong when you're not there
When your jacket comes on
And you're ready to leave
I'll take you in my arms
And tell you why you shouldn't go

Missing you crazy baby
Everytime I watch you leave
'Cause even my heart is aching
I scream 'cause I'm in need
It's always like this
And baby you're wild
I walk on, my feet are bleeding
For only one more kiss

I've never ever been like this before
Only to cry and waiting by the door
But all is different this time
And I'm not afraid
If you wanna take some steps
I'm seeing a future with you

Missing you crazy baby
Everytime I watch you leave
'Cause even my heart is aching
I scream 'cause I'm in need
It's always like this
And baby you're wild
I walk on, my feet are bleeding
For only one more kiss

I'm going crazy baby
Everytime you're leaving me
I'm only screaming 'cause I am in need
Though my feet are bleeding, baby
I walk forever
For one more kiss

Missing you crazy baby

Everytime I watch you
'Cause even my heart is aching
I'm screaming 'Cause I'm in
It's always like this
And baby you're wild
I walk on, my feet are bleeding
For only one more kiss

Missing you crazy baby
Everytime I watch you leave
'Cause even my heart is aching
I scream 'cause I'm in need
It's always like this
And baby you're wild
I walk on, my feet are bleeding
For only one more kiss
Missing you crazy baby
