I know that you  
Fight it all to put your trust in me  
'Cause my feet are dirty  
And they won't come clean  
But believe it or not  
Years alone washed it all away  
I've grown in time and I turned out okay  
Trust in me  
I've grown for the better you'll see

Say you will forgive me now  
I wanna come along  
Don't shut me out  
Say you will forget somehow  
That I have been a fool  
I'll make it up to you

You won't regret  
(You won't regret)  
If you choose to put your faith in me  
'Cause I've found my own identity  
And I promise you that  
If the wind is turning  
I'll be standing still  
Standing strong I know that I will  
Trust in me  
I've grown for the better you'll see

Say you will forgive me now  
I wanna come along  
Don't shut me out  
Say you will forget somehow  
That I have been a fool  
I'll make it up to you

(I wanna come along  
Don't shut me out)  
Oh yeah  
'Cause I know what I feel inside  
And what ever that you decide  
I will always cherish you

You will see when the days go by  
You will give me another try  
I will always love you

Say you will forgive me now  
(I wanna come along)  
I wanna come along  
(Don't shut me out, don't shut me out)  
(Say you will forget somehow)  
Forget somehow  
(That I have been a fool)  
(I'll make it up to you)  
I'll make it up to you  
(I wanna come along)  
Oh oh oh  
I wanna come along  
Say you will
