I never used to care about tomorrow, oh no  
Living day to day without a trace  
What ever I did it just felt hollow, ooh  
Feeling incomplete in every way, ooh

And there you stood in front of me  
Like a vision to set me free

(Chorus)

And she said I can make you see, aahah  
If you just open up to me, aahah  
Cause, when you came into my life  
Went from darkness to light  
When you said open up to me, aahah  
Just for me

Wherever this may take me I will follow, ooh  
There's nothing there to hold me anyway, oh no  
Cause I can do without the pain and sorrow  
I rather be alive then fade away, oh

And there you stood in front of me  
Like a vision to set me free

(Chorus)

And she said I can make you see, aahah  
If you just open up to me, aahah  
Cause, when you came into my life  
Went from darkness to light  
When you said open up to me, aahah  
Just for me, oh oh oh  
Just for me, just for me  
oh oh, just for me  
Just for me

I can make you see, oh  
(If you just) Open up to me, yeah  
Cause when you came into my life  
Went from darkness to light  
(When you said open up for me) Open up  
Just for me

(She said I can make you see, aahah

If you just open up to me, aahah)  
Open up to me, oh  
Cause when you came into my life  
Went from darkness to light  
When you said open up to me  
Just for me
