I don't wanna lose you,  
I don't wanna use you  
Just to have somebody by my side  
And I don't wanna hate you  
And I don't wanna take you  
But I don't wanna be the one to cry  
And I don't really matter to anyone, anymore  
But like a fool I keep losing my place  
And I keep seeing you walk through that door  
But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you can't  
trust  
There's a reason why people don't stay where they are  
Baby sometimes love just ain't enough  
Now I could never change you  
I don't wanna blame you  
Baby you don't have to take the fall  
Yes I may have hurt you  
But I did not desert you  
Maybe I just want to have it all  
It makes a sound like thunder  
It makes me feel like rain  
And like a fool who will never see the truth  
I keep thinking something's gonna change  
But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you can't  
trust  
There's a reason why people don't stay where they are  
Baby sometimes love just ain't enough  
And there's no way home  
When it's late at night and you're all alone  
Are there things that you wanted to say  
Do you feel me beside you in your bed  
There beside you where I used to lay  
And there's a Danger in Loving somebody too much  
And it's sad when you know it's your heart they can't  
touch  
There's a reason why people don't stay who they are  
Cause baby sometimes love just ain't enough  
Baby sometimes love just ain't enough
