Since the day I met you
You've been running around in my mind
And someday I'll get you
'Cause this feeling is so hard to find

I can't breath without you
You complete my heart and soul
In your heartbeat I am home

Sooner or later
I'm gonna make you see that you
can't be without me
Sooner or later
You'll think about me all the time
Just like I think of you
Someday soon

So you're right here with me
It's like nothing that I've ever known
As I watch you sleeping
I just know that I'm never alone

Can you breath without me?
Am I in your heart and soul?
Does my heartbeat make you whole?

Sooner or later
I'm gonna make you see that you
can't be without me
Sooner or later
You'll think about me all the time
Just like I think of you
Someday so-o-on

Gotta make you see that. So-o-on
Gotta make you see that

I can't breath without you
You complete my heart and soul
In your heartbeat I am ho-ome.

Sooner or late...ooh...
Sooner or later
You'll think about me all the time
just like I think of you

Sooner or later
I'm gonna make you see that you(Gonna make you
see)
can't be without me
Sooner or later
You'll think about me all the time
just like I think of you
Someday so-on

Someday soon.
