E prea tarziu sa-mi amintesti, sau prea devreme
Sunt fericita ca traiesc fara ochii tai
Mi-ai lua totul daca-i putea
Dar spornata nu mi-o poti lua
Tu nu vezi ca mai traiesc, e bine
Te parasesc in mintea mea, a mia oara
Eu am iesit din jocul tau
Si imi pare rau
Mi-ai lua totul daca-i putea
Libertatea nu mi-o poti lua
Fac ce vreau cu viata mea

Ref: Nici nu mai cred ca te-am iubit vreodata
I don't even think I have ever loved you
Maybe I was dreaming, but now I've woken up
What's the point in telling you the things I endured while being with you
I'd like to think you haven't even existed

Peste iubirile ce mor, s-asterne timpul
Insa greselile ne dor Doamne cat ne dor
Vindecarea vine incet dar greseala n-o mai repet
Bun ramas iubirea mea!!
E prea tarziu sa-mi amintesti, sau prea devreme
Sunt fericita ca traiesc fara ochii tai
Mi-ai lua totul daca-i putea
Libertatea nu mi-o poti lua
Fac ce vreau cu viata mea

Ref: Nici nu mai cred ca te-am iubit vreodata
I don't even think I have ever loved you
Maybe I was dreaming, but now I've woken up
What's the point in telling you the things I endured while being with you
I'd like to think you haven't even existed
