On the telephone phone phone
She said goodbye bye bye bye bye
On the telephone phone phone
She said goodbye bye bye bye bye
On the telephone phone phone
She said goodbye bye bye bye bye

On the telephone phone phone
She said goodbye bye bye bye bye
I will be going I will be going my baby
I will be going there is no reason to stay
That's the only thing she said when she left him
Oooo yeah
Now he is sorry but he is sorry don't matter
Now he is sorry but it's really so late

That's the only thing she said when she left him
Oooo
On the telephone phone phone
Oooo
Phone phone ooo
On the telephone phone phone
She said goodbye bye bye bye bye
On the telephone phone phone

She said goodbye bye bye bye bye
I will be going I will be going my baby
I will be going there is no reason to stay
That's the only thing she said when she left him
Oooo yeah
Now he is sorry but he is sorry don't matter
Now he is sorry but it's really so late

That's the only thing she said when she left him
Oooo
On the telephone phone phone
She said goodbye bye bye bye bye
On the telephone phone phone
She said goodbye bye bye bye bye
On the telephone phone phone
She said goodbye bye bye bye bye

On the telephone phone phone
She said goodbye bye bye bye bye
