Without Faith

It's impossible to please the Lord, to please the Lord

Without Faith it's just impossible to please the Lord

To please the Lord

Faith that can move mountains

Faith that can calm the raging sea

Oh, Faith that believes in Jesus

Faith that set the captives free

Faith, without it's impossible to please the Lord

Without Faith

It's impossible to please the Lord, to please the Lord

Without Faith it's just impossible to please the Lord

To please the Lord

Faith that can move mountains

Faith that can calm the raging sea

Oh, Faith that believes in Jesus

Faith that set the captives free

Faith, without it's just impossible to please the Lord

Lord, I need faith

Lord, I need faith, yes I do

Lord, I need faith

Lord, I need faith

to bring me out, Lord I need it

To remove all the doubt, Lord I really need it

Lord I need faith

Please give me faith

Without it's just impossible to please the Lord

(Bridge with Take 6 harmonizing)

(I need) Faith that can move mountains

(I need) Faith that can calm the raging sea

Oh, Faith that believes in Jesus

Faith that set the captives free

oh, oh, oh

Faith, without it it's impossible

Repeat x 2

Lord, I need faith (Lord I need faith)
Lord, I need faith (Please give me faith)
Lord, I need faith (Lord I need faith)
Lord, I need faith (Faith, Faith, Faith)
