It's hard to explain
What has happened to me
I was like a bird that was bound
But now I'm set free.

No words can describe
How I feel all I know
Is that it's real
It's really really real

(Modulate)
chorus

My life
Jesus came into my life
My life
Jesus came and made
It all right -
Yes, he made it right
(Back to original key).

My life
my life
My life
(Jesus came into my life) -
Ohhh whoa whoa,
Can we talk? -

Let me tell you what happened to me
I repented of my sins to him
I opened up my heart and he came right on in..

Chorus.
Modulate. X2

So glad
So glad
So glad he came.
(Ad libs.)

No matter what you're going through
Here's what you gotta do

Open up your heart and let Jesus into your life
If you invited him today
He'll wipe those tears away
Open up your heart and let Jesus into your life
