When trouble is in my way  
I can't tell my night from day  
When I'm tossed from side to side  
Like a ship on a raging tide  
I don't worry I don't fret  
My God has never failed me yet  
Troubles come from time to time  
But that's all right,  
I'm not the worrying kind because

Chorus:  
I've got confidence  
God is gonna see me through  
No matter what the case may be  
I know He's gonna fix it for me

Job was sick so long  
Till the flesh fell from his bones  
His wife, cattle and children,  
Everything that he had was gone  
But Job in he despair  
I said He knew that God still cared  
Sleepless days and sleepless nights  
But Job said that's all right because

Chorus

Some folks wonder how I smile  
Even when I'm goin' through trials  
They say Andrae' how can you have song  
When everything is goin' wrong  
But I don't worry I don't fret  
My God has never failed me yet  
Trouble's coming from time to time  
But that's all right,  
I'm not the worrying kind because

Chorus
