#### *Vocals*

Let the church say amen, let the church say amen  
God has spoken, so let the church say amen  
Let the church, let 'em say amen  
If you believe the word, let the whole church say amen  
God has spoken, so let the church say amen  
Lift your hands, lift your hands  
God has spoken, so let the church say amen,  
Oh, thank you Lord  
God has spoken, so let the church say amen

#### *Choir enter*

Let the church say amen  
Let the church, everybody, say amen  
God, God has spoken  
So let the church, let the church, say, say amen

#### *Vocals and choir*

Can I get a witness, let the church say amen  
To what His plans are, let the church say amen  
To what His words say,  
God has spoken, God has spoken  
Let the church, let the church, say, say amen, amen

Make this your response, amen  
To whatever He says, amen  
From the healing of your body, amen  
To the raising of the dead, amen  
No matter how you feeling, amen  
Or how your world is reeling, amen  
Battle on through the night, amen  
Cause you're going to win the fight, amen  
Even in the valley, amen  
Or standing at your red sea, amen  
Continue to say, amen  
Cause your help is on the way, amen

My God has spoken

I heard Him, let the church, so let the church say, say  
amen  
Lift your hands wherever you are, and let the church  
Let the church say amen  
Amen, say, let the church, let the church say, say  
amen,  
God has spoken, God has spoken  
Hallelujah, let the church, let the church say, say amen  
All we needed was a word from the Lord  
We've got it so, let the church, let the church, say  
amen.  
Oh, let the church, let the whole church, say amen  
God has spoken, God has spoken, well, well, well  
Let the church, let the church, let the church say, say  
amen

I need you to say it, amen  
When your dream is about to die, amen  
Knowing that God is not a man, amen  
He just can't lie, amen  
In spite of what, amen  
What the devil does, amen  
Know you've got a word, amen  
That has come from above, amen  
Faith must be, amen  
Must be what you say, amen  
So open your mouth, amen  
And say amen today, amen  
Cause God has spoken  
I heard Him when He said it, let the church, so let the  
church, say amen

You and you and you say, amen  
From the deacons, amen  
To the mothers, amen  
All of the sisters, amen  
All of the brothers say,  
God has spoken, oh my my  
Let the church, let the church, say amen
