[Intro:]

Kane got it goin' on. Hey girl I didn't mean it. Hey a  
sweet love a sweet  
love. Girl I didn't mean it. Check it out.

[KK:]

I never should of tripped with a girl in a woman's place  
But it was all in her thighs and her cute face  
Now see baby kind of sexy yeah she got it goin' on  
But damn did she have to go and get sprung  
Young girl now let me think  
Can I get your attention with my left eye wink  
Or maybe please can I call you baby  
Will a buldge in my pants drive a young girl crazy

[Singing:]

How could it be  
She gave her body so easily  
Next was sex on top of me

[KK:]

Or did I make it too good for ya baby  
Now peep KKs another yeah  
A step down from a lover but no farther then friends  
Ya see I got a plan like I always said ya know  
Girl I gotta go gotta go now see

[Hook:]

Baby I really didn't mean to turn you on  
I didn't mean to turn you on [x2]

Now baby tell me what's goin' on  
The way you treat a nigga you know it's wrong now

[Singing:]

Bitch come down take a ride with me  
I'll show you how things are suppose to be

Like killing that cat from the back  
Brake it down to the floor  
With a 20 sack of love you don't hear me though  
Now baby baby

[Singing:]

You gotta put your face up or either raise up (yeah)  
Cause when it comes to lovin' I got a lot of huggin'  
And you can be my muffin

So don't be surprised if I lick up in between your thighs  
And make you cream on yourself  
Cause I'm pack the proper love that can stay on swole  
And make that money straight fold  
So if you ready I can give you the world  
Just get it like that you go girl

[Hook]

Now baby relax take a sip of the Conjac of Henessy  
When you finish me cause we can do that  
So don't be shy (just turn around a minute)  
And spread them thighs  
(And know I'm all up in it)  
Strokin', pokin' and teasin'  
Cause I'm the only one that be pleasin'  
I'm lettin' you know I'll treat you fair  
So come on let me take you there

Now you gotta make it easy as can be  
If you wanna come kick it with a fool like me you know  
(I can make it better) Hey only if you let it  
(What's up with you and me girl?)  
Baby can I wet it  
Now you wanna run you're tryin' to make me chase  
Sweet honeybun can I get a taste?  
Sex don't have to be if you don't want it to be  
But when it's time to make it happen make it happen  
with me  
But...

[Hook]

Did you do it like this? Then you can do it like that. Do  
you make it feel  
good? I can make it real good. [x2]
