I wake up
I put on my shirt
It's time
To go to work

Pre-Chorus:
And all these questions get me stressing
Make me wanna kill
But one thing you don't know
Is how I feel

Chorus:
This is a song for all the people
That can't do what I do
It'll be long before it's over
Cuz now it belongs to you

I step up
And sing a song
Some kids
They sing along

Pre-Chorus

Chorus (x4)
Cuz now it belongs to you (x2)
