"I Care"

You walked away from all you had
You know you had to make that choice
The question now is are you mad?
That you didn't use your voice

Pre-Chorus:
It's not your fault
There's nothing you can do

Chorus:
I don't know why you're here
All I know is why I'm here
Because I care

You took for granted all you had
You know you never said it
The question now is are you mad?
I know that you regret it

Pre-Chorus

Chorus (x2)

All of these things matter to me (x4)

Chorus (x4)
