You do so much for me
I love it when you cry
Today, what should I be?
Should I just say goodbye?

Chorus: (x2)
I love you goodbye
I love you goodbye
I can't see you cry
I can't see you cry
I love you goodbye
I love you but it's all a lie...

I want to see you smile
It always makes me cry
I'd stay for just a while
But then I'd say goodbye

Chorus

But when you lay your head down
And close both your eyes
I hope you don't think
Of the terrible lies
I want you to know
I'm sorry for all that I've done!

Chorus (x2)
