Oooh Woahoh
Would I fight with an angel
Would I leave here with you
Or would I take it all back if
If I find something new?

I know there's something out there
I know there's something I fear
Run away from here
I know there's something more to this
In this dark room, nothing that shines
Run away from here

Would I fight with an angel
Would I leave here with you
Or would I take it all back if
If I find something new?

I'm falling, I am down
I've fallen, are you around?
And I know it's you
I'm leaving, I'm with me
I'm leaving, tell me the truth
And I know it's you

Will I fight with an angel
Will I leave here with you
Will I take it all back if
If I find something new

Would I fight with an angel
Would I leave here with you
Would I take it all back if
If I find something new
Oooh Woahoh (Repeat x15)

Would I fight with an angel
Would I leave here with you
Would I take it all back if
If I find something new

Would I fight with an angel

Would I leave here with you
Would I take it all back if
If I find something new
Yeah

Will I fight with an angel
Will I leave here with you
Will I take it all back if
If I find something new
Yeah

Would I fly with an angel
(Fly with you...)
Would I leave here with you
(Fly with you...)
Would I take it all back if
(Fly...)
If I find something new
(Fly...)

Ooh Woahoh
