In the light of the sun  
Is there anyone? Oh, it has begun  
Oh dear, you look so lost  
Your eyes are red, the tears are shed  
This world you must have crossed, you said

You don't know me  
And you don't even care, oh yeah  
And you said, you don't know me  
And you don't wear my chains, oh yeah

Essential yet appealed  
You carry all your thoughts across an open field  
Where flowers gaze at you  
They're not the only ones who cry when they see you

You said you don't know me  
And you don't even care, oh yeah  
Well you said you don't know me  
And you don't wear my chains, oh yeah

She said I think I'll go to Boston

I think I'll start a new life  
I think I'll start it over  
Where no one knows my name

I'll get out of California  
I'm tired of the weather  
I think I'll get a lover  
And fly 'em out to Spain

Oh yeah and I think I'll go to Boston  
I think that I was tired  
I think I need a new town  
To leave this all behind

I think I need a sunrise  
I'm tired of Sunset  
I hear it's nice in the summer  
Some snow would be nice, oh yeah

You don't know me  
And you don't even care, oh yeah

Boston, where no one knows my name  
Where no one knows my name  
Where no one knows my name, yeah

Boston, where no one knows my name
