All I have bout the way things go  
I don't know  
I just don't know  
Make up some simple lies  
And compromise  
How I live

Cuz' either way I'll break your heart someday  
But leaving you is the last thing on my mind  
So when go  
Baby kiss real slow so don't forget to make my way  
back home  
When i go

Sail away  
On a wayward ship  
With candy lips in my grip  
Cheap perfume  
Oh it never lies  
It can't surprise  
Any good advice

Cuz' either way I'll break your heart someday  
But leaving you is the last thing on my mind

So when i go  
Baby kiss real slow I don't forget to make my way back  
home  
When i go

when i go

Well I miss you in the winter  
Your friends say I should listen  
Can't you see I've love you all along  
Well if America don't like me  
You can say I finally  
a kind of man who only likes the gun  
Shoot anyone, shoot anyone

Cuz' either way I'll break your heart someday  
But leaving you is the last thing on my mind

So when i go  
Baby kiss real slow so I don't forget my way back home  
When i go
