All I have are the way things go
Well I don't know
I just don't know
Make up some simple lies
And compromise
How I live

Cuz' either way I'll break your heart someday
But leaving you is the last thing on my mind
So when I call
Baby kiss me slow so I don't forget my way back home
When its cold

Sail away
On a wayward ship
With candy lips in my grip
Cheap perfume
Oh it never lies
It can't surprise
Any good advice

Cuz' either way I'll break your heart someday
But leaving you is the last thing on my mind
So when I call
Baby kiss me slow so I don't forget to make my way
back home
When its cold

Well I miss you in the winter
Your friends say I should listen
Can't you see I've loved you all along
Well if America don't like me
You can say I finally
The kind of man who only likes the gun
Shoot anyone, shoot anyone

Cuz' either way I'll break your heart someday
But leaving you is the last thing on my mind
So when I call
Baby kiss me slow so I don't forget my way back home
When its cold
