Time's wasting away
For a desperate man
I'm feeling the pain
Of a dead end chance
How long do you wait?
Tell me god only knows
Nobody's safe
And there's nowhere to go

You turning me inside out
Turning me upside down
Looking for a heart to trust
Hearts wander
Looking in the eyes of the one you love
Hearts linger
Baby you ain't ever gonna get enough

Night's fading away
With yesterdays gone
And I'm losing faith
In the man I was
With nobody to blame
And I'm already lost
For every good thing I done
I done another thing wrong

You turning me inside out
Turning me upside down
Looking for a heart to trust
Well hearts wander
Looking in the eyes of the one you love
Hearts linger
Baby you ain't ever gonna get enough

Hearts wander

Hearts wander
Looking in the one you love
Hearts linger
Baby you ain't ever gonna get enough
Hearts

I wander
Oh baby don't you wander
