Lot of fire tonight
Let me know that everything's alright
Fate comes around
No one ever makes a single sound
A sound

Yeah
So come on baby
Tell me I'm crazy
You and I never gonna die tonight
Die tonight

So come on daughter
You and I'm smiling
You and I
Yeah, we're gonna die tonight
I am and not you
I am, I am and not you

Tell me what you need
Bring me down and take me to my knees
It's killing me inside
Leaving message isn't asking why

Alright
Yeah
So come on baby
Tell me I'm crazy
You and I never gonna die tonight
Die tonight

So, come on daughter
You and I'm smiling
You and I
Yeah, we're gonna die tonight
I am and not you

Ahahaha ...
Wahahahaha ...

So come on baby

Tell me I'm crazy
You and I never gonna die tonight
Die tonight
Woohoo

So come on daughter
I smile and you and you
And yeah, we're gonna die tonight
I am and not you
I am, I am and not you
I am, I am, I am ...
No, no, no, no, no, hey
Oh, I am
